# Braking News

For TransNet Partners

Spring 2016

## Excellence Awards

Twice each year, each TransNet partner nominates one employee to receive an Excellence Award. The following individuals were recognized this Spring for outstanding service and each received a \$500 cash prize and an achievement pin as shown to the left.

TransNet appreciates the hard work and commitment demonstrated by all of our drivers and aides and we are especially grateful to the six individuals we have recognized so far this year.

Congratulations to the first six Excellence Award winners for 2016!

Danielle Johns

Dan Huntzinger

Melissa Floyd-Stinson

Donna Stover

Roger Pryor

Sharie Todd

Congratulations and thank you for your hard work. We look forward to recognizing six more winners later this year!

## Kudos

We would like to recognize the following drivers for compliments they recently received for their outstanding, friendly, smiling service:

Robert Collins - Bux-Mont

Jack Cracchiolo - Tri County

Thyra Williams, George DeGrave,  
& Vince Cusamano - Norristown

## Are You on Social Media?

So is TransNet!

Like or Follow TransNet for...

All sorts of interesting info and stories,  
pictures of your co-workers - maybe even you!

## TransNet to Sponsor 5K

Join TransNet at the Philadelphia Premium Outlets on Sunday, April 24th, for the Sprint-N-Shop 5K! This annual event is held by non-profit organization, Communities in Motion, as a fundraiser and TransNet is one of the sponsors of the event.

Choose to walk one mile or run the 5K. Both walkers and runners will receive a gift bag with retailer swag plus a free Savings Passport worth hundreds of dollars in savings at participating stores!

Come join in the fun by registering online at [www.movingyou.org](http://www.movingyou.org). We hope to see you there!

## Customer Appreciation Week is Coming

Every year, TransNet designates one week in the Springtime to show our consumers some extra special consideration. Over the years, we have given out small gifts such as water bottles and keychains as tokens of our appreciation.

This year, we will celebrate the arrival of Spring by giving our customers small flower pot kits. The mini planter kits will come with marigold seeds and soil. Consumers of all ages will simply add water, place the pots on a sunny windowsill, and enjoy watching their flowers - and, hopefully, their appreciation for TransNet - grow!

Look for these little kits to arrive at your location soon. Thank you for helping us to spread some joy throughout our community!

## TransNet Now Offers On-the-Spot Registration

With the support of Montgomery County area senior centers and local legislators, TransNet has been increasing our numbers of registered users by setting up on-the-spot registration events for our Senior Shared Ride program.

In the past, when a consumer wanted to sign up to utilize the Shared Ride service, they could obtain a registration form in a variety of ways. But, there was always an obstacle in the registration process because individuals still needed to photocopy and mail in their proof of age to complete their application.

Thanks to advances in technology and a very small expenditure, TransNet now has a portable scanner that we can bring along to senior expos and other community events, enabling us to scan new consumers' IDs and complete their registration right on the spot!

## Spring Driver Safety

While the hazards of snow and ice are now behind us (we think!), Springtime brings its own set of driving challenges. Keep in mind that...
